* Disclaimer: This constitutes a working draft of the status of selected state and local legislation for the year 2003. It serves as a general point of reference to a broad list of interested parties whose interests vary. Every attempt is made to keep the information accurate, but total accuracy is not guaranteed. Some legislation that is listed as "Dead" may not be permanently dead as some legislation can be carried over to the next legislative session using the same or different bill number and the same or similar bill text. Also, some legislation that is listed as "Dead" may be companion legislation to legislation that is enacted or is still pending.
** E = Enacted; P = Pending; D = Dead; ED = Effective Date (if enacted into law; effective date for resolutions and proclamations will not be listed since they are usually effective immediately upon passage).
